ALA CARTE

SOIL TEST—*Highly Recommended front and back yard—\$75.00. Find out your pH levels for optimal nutrient absorption and Lime Recommendation

LIME—CT Turf wants to have a pH of approximately 6.0. Lime will balance the acidity level of your soil.

TICK PREVENTION—Protect yourself, your family and pets from crippling Lyme disease.

FALL AERATE & SEED—Annual aerating & overseed is guaranteed to improve the health of your lawn.
